11. BROCHURE CONTENT

Images and scenes shown are representative of those featured in the pilgrimages but are not necessarily supplied or visited. Maps are not necessarily to scale. Hotels are selected, subject to availability, from grading suggested by local authorities or our representatives with due consideration to the particular needs of our pilgrims. Every effort has been made to ensure that this and ancillary brochures are accurate at the time of printing but, subject to any statutory liability which may not be excluded by law. The operator is not liable for any error, omission or inaccuracy in these brochures whether occurring at or after the time of printing in regard to price or any other detail or booking condition.

12. ROOM TYPES

Prices are based on a twin shared room containing two single beds. Individual's request to share are accepted at the time of booking. Passengers electing to twin share with an unknown partner of the same gender do so in the full knowledge that Harvest cannot guarantee the compatibility or medical fitness of your room mate. Single supplement surcharges apply if Harvest is unable to provide a suitable partner. Specific requests (single/double/triple) must be made at time of booking and supply cannot be guaranteed. Single supplement surcharges apply for single room requests. Requests for double rooms cannot be guaranteed and may attract a surcharge. Requests for triple room can be met by either a full sized triple room or a twin bedded room with extra roll-away bed. Certain passengers with a serious or ongoing medical condition or mobility constraint (subject to approval) must either bring an accompanying companion / carer or elect a single room supplement. Smokers also may be required to pay a single room supplement if a suitable partner is not found.

13. SELLING PRICES

Prices are current as at 18 November 2009 and are based on costs (including airfare and land costs), charges, tariffs, rates, taxes, levies and exchange rates calculated on the basic pilgrimage departure and are not inclusive of fees, costs, charges and levies for additional flight arrangements and stopovers. All costs are subject to alteration at any time by governments, their agencies, principals and/or currency fluctuations. Harvest reserves the right to surcharge the price of a pilgrimage due to such increases. Harvest guarantees to absorb the first 2% of any increase in total pilgrimage costs. This guarantee does not apply to any taxes, charges or levies imposed by any government or their agencies, to errors or omissions or minimum group size constraints (Refer SECTION 15 ALTERATION TO PRODUCT OR SERVICES). If the total pilgrimage cost increases by more than 8%, pilgrims will have the right to cancel within 7 days of advice of the surcharge without penalty.

14. ABOUT COSTS

Included in the selling price of each pilgrimage are charges to cover the cost of research, reservations from agents in Australia and from our overseas destinations, postage, facsimile, telephone, bank charges, currency transfers, documents, brochure production, printing, distribution, advertising and remuneration to travel agents. Cost breakup is not supplied. Deposit payment signifies your acceptance of these usual commercial costs and fees paid to our overseas associates.

15. ALTERATION TO PRODUCT OR SERVICES

If circumstances beyond Harvest's reasonable control require that inclusions be altered, product of similar value will be supplied. In the unlikely event of cancellation by Harvest, pilgrims are offered a change of arrangements, alternative tour or a full and immediate refund without further Harvest liability. Harvest is not responsible for disruption to any travel arrangements not booked by Harvest.

A pilgrimage can only operate at the advertised price if a minimum number of bookings are achieved. If at 45 days prior to departure, numbers fall below the minimum, a surcharge on booked pilgrims may be applied to ensure departure.

16. AIRLINES

The scheduled flights used for all group departures are subject to the usual conditions of the carrying airline and relevant to international law. We therefore accept no responsibility for alterations to air schedules or scheduling. Any relevant health conditions not adequately disclosed may result in your immediate and direct return to your point of departure at your expense and without availability of refund. This clause is necessary to assure the health and safety of all group members and in particular those with whom you may be sharing a room. We recommend you consult your doctor in respect of your intended travel as this may also have some bearing on your application for travel insurance. Furthermore your doctor or the relevant Government Health authorities could advise further on any vaccination requirements necessary. Certain passengers with a serious or ongoing medical condition or mobility constraint (subject to approval) must either bring an accompanying companion / carer or elect a single room supplement.

18. PASSPORT - VISA

Non-Australian passport holders must possess a valid Australian Re-entry Certificate.

If you are travelling on a passport issued by a country other than Australia, you will need to be aware that visa requirements may differ from those for Australian passport holders. Your Harvest consultant will be pleased to advise you of these requirements. Cancellation of a pilgrimage due to incomplete travel documentation will incur standard cancellation fees.
